icdse2019@iitp.ac.in

Publication in the IEEE proceedings of ICDSE2019 is contingent upon receiving registration of at least one of the authors of an accepted manuscript by the 24th August 2019 deadline. Please also note that each accepted manuscript requires one distinct registration, i.e. if you have two accepted papers, two registrations are required for their publication.

1. Formatting Instructions

Please format your final paper as a PDF file in the IEEE conference proceedings two-column format (same as the submission format). Papers can be up to 5 pages in length (without page charges). You can add additional pages with page charge of Rs. 500 per page.

Please follow the formatting instructions and templates from IEEE. Be sure to use the template's conference mode.

You can download MS Word and Latex templates from:

http://www.ieee.org/conferences_events/conferences/publishing/templates.html

Use the A4 format. DO NOT use the US Letter format and do not paginate your paper.

Update your paper incorporating review comments, review once again to avoid any further typos, grammatical errors etc. Check your tables and figures for correct captions; ensure quality of these after taking a printout. Please use high resolution images for diagrams.

Add the following **FOOTER** referencing the conference at **all pages** (in the BOTTOM CENTER in *Italics* 11 point font) except the first page

2. Copyright Notice

Before submitting your paper, you must add the copyright notice at the bottom of the first page of your source document (MS Word or LaTeX). PLEASE ADD the appropriate copyright notice to your paper. It should go at the bottom of the left column, first page only.

The copyright notice should appear about 0.5 cm below the left column, and should be aligned to the left with the same left margin as the column.

Note that the copyright notice may differ depending on the authorship. Please select the appropriate copyright notice to add to your manuscript based on the criteria below:

For papers in which all authors are employed by the US government, the copyright notice is:
U.S. Government work not protected by U.S. copyright

978-1-7281-2087-4/19/$31.00 ©2019 IEEE

If using LaTeX IEEEtran class the following script must be placed before the \begin{document} statement, which will insert the copyright notice in the adequate place.

\IEEEoverridecommandlockouts\IEEEpubid{\makebox[\columnwidth]{ 978-1-7281-2087-4/19/\$31.00~\copyright~2019 IEEE \hfill} \hspace{\columnsep}\makebox[\columnwidth]{ }}

Note: Please check any IEEE Conference paper to know the position of the copyright notice. It would be on the FIRST page, bottom, left corner.

3. PDF eXpress Plus Online File Conversion/PDF Validation Tool

All papers submitted for publication must meet the IEEE standards. Access to PDF eXpress Plus site, the IEEE's online file conversion/PDF validation tool, will assist authors in preparing suitable electronic files of their final papers. PDF eXpress Plus helps authors convert their papers into IEEE Xplore compatible PDF files (conversion function) or to check their own PDF files for IEEE Xplore compatibility (PDF validation function).

Important: After using PDF eXpress Plus, you will still need to submit the IEEE Xplore compatible PDF file of your final paper later in this publication submission process.

a) Steps for using PDF eXpress Plus:

1. Go to PDF eXpress Plus website (http://www.pdf-express.org/plus/) and follow the instructions.

3. Continue to enter information as prompted.
